

## Your support makes all the difference!

The American Red Cross LaPorte County Chapter needs your support. By participating in the 5k Run & Health Walk you will be supporting LaPorte County and its Red Cross Chapter. Your donation will help your county and neighbors in times of emergency.

During 2012-2013, the LaPorte County Chapter helped 170 individuals by providing basic needs to those in need after a fire. The Chapter provided food and beverages to rescue personnel during nine incidents and assisted three families after flooding in Michigan City. The cost to provide all services was just over \$28,240.

So dust off those running shoes and come on out and support the American Red Cross LaPorte County Chapter. Again, your support will be used for emergency assistance for LaPorte County and your neighbors.
